

JUBILEE LINE

Jubilee preamp	Balanced Line level preamplifier with external power supply, remote control, granite or gray slate	32 100,00
+ option	stepped attenuator for volume - 47 positions	2 700,00
+ option	HT-Bypass	315,00
+ design option	midsection in birch, walnut or Makassar burl	750,00
+ design option	midsection in rainforest brown marble	1 290,00
Jubilee Mono SE	Mono Power amplifier 400 W, KT120 tubes, granite or gray slate - PAIR!	89 290,00
+ design option	midsection rainforest brown marble or Makassar burl	2 500,00
Jubilee 300 B	Single ended Mono Power amp incl. Bi-amping, 30 W, 300 B tubes, birch, walnut or makassar burl - PAIR!	67 450,00
+ option	Remote activation (12V Trigger)	910,00

PREAMPLIFIER

Phono EQ.2 (only black)	RIAA Preamp MM/MC with external power supply	1 750,00
Phono Module	main unit with external power supply, 3 slots for different input moduls, 1 slot for one out of the 3 output moduls	4 500,00
output Modules	OUT 1: RCA Standard	445,00
	OUT 2: RCA Direct Drive	810,00
	OUT 3: XLR Direct Drive	875,00
Remote Control	volume, transmitter with internal electronics	340,00
--> input Module - listed below	IN1 - IN9 unten angeführt	
HP 300 SE	Tube Preamp with external power supply, RC	6 600,00
+ option	Phono MC (or Phono MM)	1 040,00
HP 700 SE	Modular Tube Preamp with external power supply, RC, two slots for Input modules	14 150,00
+ option	Phono RIAA - necessary in combination with a Phono input module	1 610,00
+ option	Control Module with Tone Control, Balance Control, Output Selector	2 700,00
+ option	stepped attenuator for volume - 47 steps frequency compensated	2 700,00
Input Modules for Phono Module and HP 700		
Phono Input Modules	IN 1: MM RCA	460,00
	IN 2: MC RCA	630,00
	IN 3: MC XLR	630,00
	IN 6: MC RCA Step-up-Transformer switchable	2 490,00
	IN 7: MC XLR Step-up-Transformer switchable	2 490,00
Line Input Models:	IN 4: RCA and XLR switchable	630,00
	IN 8: XLR with transformer	1 390,00
	IN 9: RCA with transformer	1 390,00

INTEGRATED AMPLIFIER		
V40 SE	integrated Tube amplifier with 2x40W, RC, 6550 tubes	4 750,00
V70 SE	integrated Tube amplifier with 2x70W, remote control, 6550 tubes	6 300,00
+ option	Phono MC (or Phono MM)	735,00
V110 SE	integrated Tube amplifier with 2x110W, remote control, KT120 tubes	8 700,00
+ option	Phono MC (or Phono MM)	735,00
V70 Class A	integrated Class A Tube amplifier with 2x50W, remote control, KT120 tubes	10 190,00
+ option	Phono MC (or Phono MM)	735,00
V16 Single Ended	Single ended Class A integrated amplifier with 2x8 W, remote control, KT120 tubes	10 090,00
V16 Single Ended PRE-Out	--> V16 with high end pre-out with filter function	12 090,00
V80 SE	integrated Tube amplifier with 2x120W, remote control, KT150 tubes	11 500,00
+ option	Phono MC (or Phono MM)	910,00

POWER AMPLIFIER		
RE320	Stereo power amplifier 2x130 W, KT150 tubes	10 850,00
MRE220	Mono Power amplifier 400 W, KT120 tubes - PAIR!	21 790,00

ADDITIONAL UNITS		
Black Box Power	external stabilization of the PS for the power and integrated amps	1 145,00
Black Box Preamp	external stabilization for the Phono module	1 735,00
Super Black Box	advanced and optimized black box power	2 890,00
Filter 3-P RCA (only black)	passive filter for analog RCA signal connections	2 790,00
Filter 3-P XLR	passive filter for analog XLR signal connections	2 790,00
Remote Control	volume remote control (spare part)	190,00
